

# Workshop

## Advanced Techniques in CFD

### 1st-3rd June 2011

### Gliwice, Poland

The workshop offers to young researchers (including PhD students) both lectures and hands-on training sessions on advanced techniques in CFD: turbulence, multiphase flows, radiation and UDF

**Lecturers affiliated at:**  
VTT, Espoo/Otaniemi, Finland  
University of Leeds, Leeds, U.K.  
Ansys U.K., Sheffield, U.K.

Institute of Thermal Technology, Gliwice, Poland
